HEARING DATE: March 14, 1979
DECISION DATE: April 4, 1979

ORDER

Counsel for the applicant filed a timely Motion for Reconsideration of the Board's order denying the applicant. The basis for the Motion is "that the conclusions of the Board are not supported by the facts addressed at the hearing and the facts as they presently exist." Upon consideration of the Motion and the order, the Board finds that the Motion fail to "state specifically the respects in which the final decision is claimed to be erroneous, the grounds of the Motion and the relief sought," as required by Section 5.42 of the Supplemental Rules of Practice and Procedure. The Board concludes that it has committed no error in deciding the application. It is therefore ordered that the Motion for Reconsideration is denied.

VOTE: 3-2 (William F. McIntosh and Charles R. Norris to deny, Walter B. Lewis to deny by proxy, Leonard L. McCants and Chloethiel Woodard Smith opposed).
